AI Based Assessment  
Platform

The screenshot shows the vkonex user profile page. The top navigation bar includes the vkonex logo, a search bar, and links for Jobs, E-learning, Assessment, Explore, and a User dropdown. The left sidebar has buttons for Friends and Requests. The main content area displays the user's profile with a purple header, a profile picture placeholder, and fields for company and designation. Below this are sections for interests, goals, and a detailed list of profile information including Experience, Industry, and Education, each with a plus icon for expansion. The right sidebar shows the Settings menu with options like Contact Preferences, Email Notifications, Upgrade, CAT and JEE Scholarship, E-Learning, Post a job, My jobs, Account, Change Email Address, and Change password.

# Screening of Multiple Resumes Based on Job Criteria

# *Invite Multiple Candidates For Interview*

The screenshot shows the 'Interview Invites' section of the vkonex application. On the left is a sidebar with navigation links: Job Management, Ranking Report, View Responses, Resume Parsing, Interview Invite (highlighted), Question Bank, User Management, and Settings. A 'Logout' button is at the bottom of the sidebar. The main content area has a search bar at the top right. Below it are filters for 'Candidate Name', '-Status-', and '-Select a Job-'. A table displays 10 entries (shown 1 to 3 of 3). The table columns are Candidate Name, Email, Mobile, Matching %, and Invite Candidates. The 'Invite Candidates' column contains three green circular arrows, each in its own row, indicating the action to send invites to multiple candidates. A red dashed box highlights these arrows, with a red arrow pointing to them from a callout box on the right. The footer shows '2021 © Vkonex AI'.

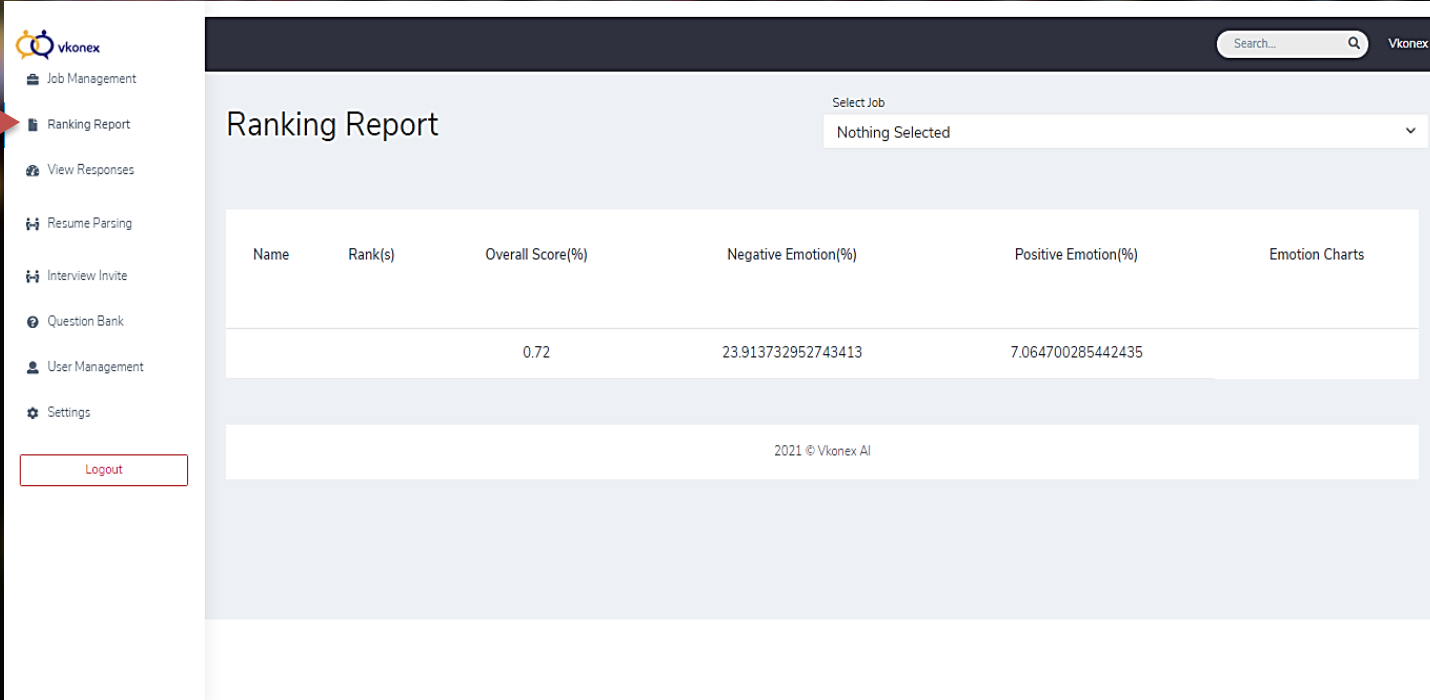

Candidate Name	Email	Mobile	Matching %	Invite Candidates
Guru Prakash Singh	singhrajveer60015@gmail.com	+91 8105563031	58.75	➡
siva	ygram@gmail.com	+91 9538820898	55.2	➡

# Analyze Candidates Overall Report

Click On  
Ranking  
Report

The screenshot shows the vkonex web application interface. On the left is a sidebar menu with the following items: Job Management, Ranking Report (highlighted with a red arrow), View Responses, Resume Parsing, Interview Invite, Question Bank, User Management, and Settings. At the bottom of the sidebar is a red-bordered button labeled "Logout". The main content area is titled "Ranking Report" and features a "Select Job" dropdown menu currently showing "Nothing Selected". Below this is a table with the following columns: Name, Rank(s), Overall Score(%), Negative Emotion(%), Positive Emotion(%), and Emotion Charts. The table contains one data row with the following values: (empty), (empty), 0.72, 23.913732952743413, 7.064700285442435, and (empty). At the bottom of the main content area, there is a footer that reads "2021 © Vkonex AI".

Name	Rank(s)	Overall Score(%)	Negative Emotion(%)	Positive Emotion(%)	Emotion Charts
		0.72	23.913732952743413	7.064700285442435
